3. FURTHER USEFUL INFO

A. FULL

It may happen that some attractions have a very long line both for the MAGIC PASS entry and for the normal one. We recommend that you give way to other attractions. We guarantee, however, in case of normal operation of the attraction, that before the park closes you will be given the opportunity to enjoy the attractions. We also ask you not to wait for this time with more than two attractions still to be used. If the attractions to be used at the closing time of the Park are more than two, access to two attractions will be limited in relation to your choices and among those that you have not yet used.

B. UNEXPECTED EVENTS

If for any reason (technical, meteorological, etc.) an attraction or all of them should close, you can get information about the reopening times and more at our Customer Service office at +3 06 95318518.

C. GENERAL RULES FOR ACCESS TO ATTRACTIONS

Before accessing an attraction, visitors are always required to inquire about the safety rules and age/height limits, which are listed below: In the attractions where children are expected to be accompanied, both users must have a MAGIC PASS card to access the attractions. In the event the MAGIC PASS cards have been sold to a group, access will still be allowed in the times and in the manner indicated in the diagram shown in point 1. Magicland reserves the right to unilaterally modify the availability of access to attractions due to causes force majeure, operational and / or safety needs. Although not provided for in these regulations, the reference is as provided for in the general Park Regulations.
