### INFORMATION FOR THE PROCESSING OF PERSONAL DATA

Pursuant to and for the purposes of the legislation on the protection of personal data (EU Regulation 2016/679 and national adjustment legislation), as the interested party of the treatment, we inform you of the following:

- Data Controller: MagicLand S.p.a VAT number 03566320176
- Data protection officer: Dr. Luca Rampazzo
- Legal basis and purpose of the treatment: the regional and national legislation in force at the moment in terms of prevention and public health, concerning the state of emergency Covid-19
- Need for data acquisition and treatment: pending the global Covid-19 pandemic The control of body temperature upon entering the company is a measure to contain the contagion from Covid-19. The body temperature data will not be kept. The data may be communicated to the health authorities if required by current regulations
- Term for data retention at the Data Controller: your data are stored at the Data Controller for 14 days as established by the regional legislation
- Security Policy: The Data Controller has adopted a corporate security policy suitable for ensuring that data processing takes place through the use of tools - including IT - capable of minimizing the risks deriving from the processing itself and guaranteeing it on a permanent basis confidentiality, integrity, availability and timely recovery of data, in one with access to the same in case of physical or technical accident.
